INDEX TO VOLUME 34

Afifi, Saad E., article by, 87
Allen, Richard K., article by, 161
Androeuryops, A new genus of Tachinidae (Diptera) from Central America, 44
Archemyobia trinidadensis (Acarina: Myobidae), Correction *re,* 100
Bell, Robert, article by, 132
Beneway, David F., article by, 44
Boreus, An unusual new species of, from Oregon (Mecoptera: Boreidae), 73
Boyer, W. P., article by, 132
Bumblebees, Revised classification of the,—A synopsis (Hymenoptera: Apidae), 49
Byers, George W., article by, 73
Carpenter bee types (Genus *Xylocopa* Latreille) contained in the collections of the Museo Argentino de Ciencias Naturales "Bernardino Rivadavia," Buenos Aires, Systematics of the, 181
Ceratinini, A new parasitic genus of, from Australia (Hymenoptera: Apoidea), 178
Corixid from Guatemala, A new, 176
Culiseta minnesotae Barr and *Culiseta morsitans* (Theobald), Biological notes on (Diptera: Culicidae), 22
Daly, Howell V., article by, 134
Drake, Carl J., article by, 145
Edmunds, George F., Jr., article by, 161
Emerson, K. C., article by, 34
Ephemerella, A revision of the genus (Ephemeroptera: Ephemerellidae). III. The subgenus *Attenuatella,* 161
Erax Scopoli in the Americas, The misidentification of (Diptera: Asilidae), 1
Euchistus servus Say, Biology of the brown stink bug, 151
Fleas (Siphonaptera) of small mammals in Kansas, 198
Fumigant for adult rice weevil, *Sitophilus sasakii* (Tak.) in wheat, Effect of dockage on the efficiency of 80:20 (carbon tetrachloride: carbon disulfide by volume), 195
George, John Edwin, article by, 105
Gier, H. T., article by, 198
Hanson, W. J., article by, 214
Harein, Phillip K., article by, 195
Harmston, Fred C., article by, 86
Hemihalictus lustrans, Biological observations on, with a description of the larva (Hymenoptera: Halictidae), 134
Hungerford, Herbert B., articles by, 61, 173, 176
Hurd, Paul D., Jr., articles by, 19, 181
Hydrometra, A strange, from the Malay Peninsula (Heteroptera: Hydrometridae), 61
Hydrometra, Four new species of, from the New World (Hemiptera: Hydrometridae), 27
Johnson, J. C., Jr., article by, 34
Kendrick, R. L., article by, 151
Krause, Gary F., article by, 101
Lord, Thomas H., article by, 91
Malathion and piperonyl butoxide combinations, Effects of, on the rate of oxygen consumption of house flies, 64
Malathion, Fluctuations in response of male KUN-strain house flies to topically applied, 101
Manglitz, George R., article by, 17
Martin, Charles H., article by, 1
Matsuda, Ryuichi, articles by, 5, 61, 173, 176
Meetings, Notice of, 48
Michener, Charles D., article by, 178
Milliron, H. E., article by, 49
Mosquito records from Nebraska, New, 86
Moure, J. S., articles by, 19, 181
Mychajliw, Stephen, article by, 27
Nemotelus, Notes on (Diptera: Stratiomyidae), 214
Ouye, M. T., article by, 64
Papp, Charles S., article by, 157
Pelecyphorus, Two new, from California (Notes on North American Coleoptera, No. 13), 157
Penenirmus (Mallophaga), The genus, found on North American woodpeckers, 34
Penetration and excretion of P^{32} labelled Diazinon in the American cockroach, The, 87
Pigmented bacteria occurring in fly cultures and some relationships to house fly strains, 91

Poorbaugh, John H., article by, 198
Pratt, Harry D., article by, 79
Price, Roger D., article by, 22
Ptilonyssus, The nasal mites of the genus, occurring in some North American passeriform birds (Acarina: Rhinonyssidae), 105
Rai, Lallan, article by, 64
Rapp, William F., Jr., article by, 86
Reinhard, H. J., article by, 204
Relative growth in the Gerridae, Studies of, (4) (Hemiptera: Heteroptera), 5
Roan, C. C., articles by, 64, 87, 91, 101
Rolston, L. H., articles by, 141, 151
Rouse, Phil, article by, 141
Ruhoff, Florence A., article by, 145
Sapygid parasitism in the nests of carpenter bees belonging to the genus *Xylocopa* Latreille, Some notes on (Hymenoptera: Aculeata), 19
Seed cleaning as a soure of infestation for stored grain, 141
Sepsisoma, Two new species of, from Kansas (Diptera: Richardiidae), 83
Spider mite infestation in cotton, The relationship of, to early season use of insecticides, 132
Steyskal, George C., article by, 83
Stojanovich, Chester J., article by, 79
Sucking lice, Notes on the Indian, *Hoplopleura maniculata* (Neumann) and *Haematopinus echinatus* (Neumann) (Anopleura: Hoplopleuridae), 79
Tachinidae and Sarcophagidae (Diptera), New American, 204
Tenagogonus, A new species of, from the Fiji Islands (Gerridae: Heteroptera), 173
Tetrastichus, Occurrence of an unusual species of, in Nebraska (Hymenoptera: Eulophidae), 17
Tingidae, New species and taxonomic changes in the (Hemiptera), 145
Zaharis, John L., article by, 91
